

Minor Option

A Minor is an opportunity for you to explore a secondary area of undergraduate study distinct from your degree program/major, either for personal interest, or as an area of specific expertise related to your degree program that may further support your career choice.

#1

Ryerson University is home to the DMZ which is the top university-based incubator in the world*

60

minor options available to student.

125+

research centres, institutes and labs

200+

industry connected faculty takes learning beyond the classroom

A minor consists of six courses with a coherence based on discipline

Recognition of completion of a minor is printed onto your official transcript.

Explore a secondary area of undergraduate study and still graduate within 4 years.

** based on data from 2019.*
