# Cultural diversity and inclusion

Australia is one of the world's most popular places to work and study. It is known for its natural beauty, exciting cities, friendly locals, cultural diversity and healthy outdoor lifestyle.

**As a multicultural and richly diverse society, this means international students can enjoy our culture – without feeling too far away from home.**

We are proud to have more than 11,000 international students from over 118 countries represented at Torrens University Australia.

During NAIDOC Week (National Aborigines and Islanders Day Observance Committee), we celebrate the history, culture and achievements of Aboriginal and Torres Strait Islander people.

For all who call Australia home, it's an opportunity to pay respect to the Traditional Owners of the land on which we live, learn, teach and work.

Throughout NAIDOC Week, we explore the rich cultural customs of Australia's First Peoples, including smoking ceremonies and traditional dance.

“

We are committed to creating a culture that embraces and celebrates diversity. We believe every staff member, student and individual we reach through our work should feel included, safe, valued and heard.”

Linda Brown, CEO
